Gentlemen:

Reference is made to your letter of 8 December 1969 setting forth the various requirements for use of computer time in support of subject Contract.

In accordance with COMPENSATION/FUNDING, Paragraph (g), Computer Time, you are authorized to use up to but not exceed 81.74 hours of computer time. Such authorization is granted with the understanding that any claims for reimbursement of costs in connection with the computer time shall not exceed the present funding of the Contract.

Very truly yours,
